

Group Gear List;

This list is based on a five day stay in the Main Camp. Please adjust cleaning product requirements to suit the area of accommodation and length of stay. Everything else is recommended to stay the same.

Please assist the Department of Conservation and MOEC keep Motutapu and Rangitoto Pest Free. By using the columns that are allocated along with the posters and other information supplied (checkout our website if in doubt), you can ensure your gear meets all biosecurity requirements and safeguards the future of our islands habitats for native flora and fauna.

Amount	Gear Required	Clean of Dirt & Seeds	Checked for Stowaways	Packed & Sealed
	First Aid Kit Please do not hesitate to contact us if you require advice on what to bring in the first aid kit			
	Toilet Paper (I recommend 1 x roll per person & then another 10 or so spare)			
1L 3 Bottles 15 L 2 L 40 50-60 20	Cleaning Products - Jiff - Multi Purpose Spay n Wipe - Disinfectant - Dish Washing Detergent - Cloths (We recommend three different colours; 1 for the kitchen, 1 for the bathroom; and one general purpose) - Black Plastic Rubbish Bags - 240L Plastic Bin Liners			
20	Tea Towels

	Extra Food/ Drink (treats)			
	\$1 Coins for the washing machine/ dryer			
IF SELF CATERING ALSO BRING...				
	Food and Drink (there are no shops on the island)			
	Food Wrap (i.e. glad wrap, tin foil etc)			
	Extra Utensils; - Sharp Knives - Attractive Serving Dishes - Tea towels (We supply all utensils needed for cooking, however extra of the above are always useful)			

NOTE:

- All gear has to be loaded and unloaded on and off the boat and on and off our truck. This operation goes much more smoothly if all food and camp equipment is packed in similar sized containers (e.g. pest proof plastic containers). Campers should have no loose gear (e.g. pillows) and avoid tying sleeping bags to packs or suitcases
- At least one person should be nominate to ride to camp in the truck/ van to assist with the unloading of perishable goods and check out all facilities and equipment
- The most commonly forgotten items are... Toilet paper, cleaning products and salt and pepper.
